

Liste des publications (ouvrages, articles publiés dans des revues spécialisées et contributions à des ouvrages collectifs)

Publications

- PUECH E., URREGO D., SANCHEZ GOÑI M. F., BACKWELL L. AND D'ERRICO F., 2017. Vegetation and environmental changes at the Middle Stone Age site of Wonderkrater, Limpopo, SouthAfrica. *Quaternary Research*, pp.1-14.
- ROYER A., QUEFFELEC A., CHARLIER K., PUECH E., MALAIZÉ B., LENOBLE A., Seasonal changes in stable carbon and nitrogen isotope compositions of bat guano (Guadeloupe). *Palaeogeography, Palaeoclimatology, Palaeoecology*, Volume 440, 15 December 2015, p. 524-532

Rapports

- PUECH E., 2016, Bushman Rock shelter (South Africa) : Preliminary palynological analysis In : Porraz G. (dir.), *Projet Bushman 2016 (Limpopo, République d'Afrique du Sud) : rapport sur les travaux effectués du 16/10/2015 au 15/10/2016*, p. 141-143.
- PUECH E., Diagnostic palynologique et autres microfossiles végétaux in Primault J. et al. : « La grotte du Taillis des Coteaux, Antigny (Vienne), Rapport intermédiaire de la fouille programmée pluri-annuelle 2015 – 2017» , DRAC de Poitou-Charentes, Service Régional de l'Archéologie, 1 vol., 2015, 298 p.

Communications

- PUECH E., URREGO D., SANCHEZ GONI M., BAMFORD M., Updating modern pollen rain from Southern Africa as a tool for the reconstruction of past vegetation and climate, 21st Conference of the Southern African Society for Quaternary Research (SASQua), 3-7 April 2017, Johannesburg
- PORRAZ G., VAL AURORE, TRIBOLO C., CNUTS D., DAYET L., DE LA PEÑA P., IGREJA M., MENTZER S., MERCIER N., MILLER C.E., MURUNGI M., PUECH E., SCHMID V., SIEVERS C., THÉRY-PARISOT I. 28 at Bushman Rock Shelter, Limpopo (South Africa). 23th meeting of the Society of Africanist Archaeologists, Toulouse, juin 2016.
- PUECH E., URREGO D., SANCHEZ GOÑI M. F., BAMFORD M., Analysis of modern pollen rain in the Limpopo basin, South Africa: Paleoenvironmental and archaeological implications, 23th meeting of the Society of Africanist Archaeologists, Toulouse, June 2016.

Poster

- PUECH E., URREGO D., SANCHEZ GOÑI M. F., BACKWELL L. AND D'ERRICO F., Vegetation and environmental changes at Wonderkrater, Limpopo, South Africa. Implications for Middle Stone Age cultural adaptation (poster), 23th meeting of the Society of Africanist Archaeologists, Toulouse, June 2016.
